

A person is seen from behind, cross-country skiing through a vast, snow-covered landscape. The skier is wearing a blue jacket and dark pants, leaving a trail of tracks in the deep snow. The surrounding area is filled with snow-laden evergreen trees and rolling hills. In the distance, snow-capped mountains rise against a clear blue sky.

## Dear retail partners,

Meindl has stood for quality, tradition and innovation for nine generations. We will continue to adhere to these values and be a reliable partner for you in the future.

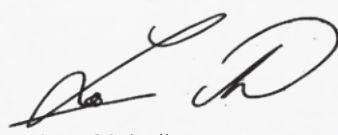

We combine the best materials with sophisticated technologies for all our boots and shoes and this is especially the case for our winter styles which results in reliable and high quality functional products. As our customers would expect we have looked to enhance our durable and technically sophisticated footwear during the development process.

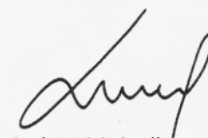

Our boots and shoes allow you to enjoy and appreciate the nature around us. This is why protecting the environment is so important to us and as a result we are committed to the appropriate use of resources. Sustainability is crucial to us and we believe that our efforts in protecting the environment should be continuous. You can find all the information on this topic on our website [www.meindl.de/substainability](http://www.meindl.de/substainability).

In our Winter 2023/24 collection you can choose from a broad selection which includes popular classics, brand new winter models and more. You will also find updates and additions to the summer collection at the back of the catalogue.

We wish you every success for the forthcoming season and we value our excellent cooperation as partners!

  
Lars Meindl

**Comfortfit®**

## Wellness for your feet

- Special fit with more space at the front of the boot and normal tight heel for optimum grip
- Comfort fit® footbed
- EVA soft-step wedge

### Comfort fit® concept

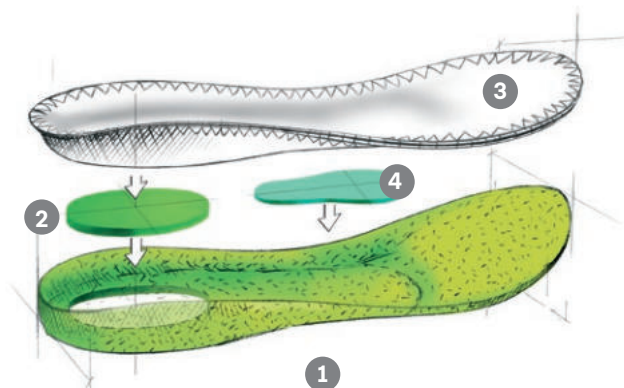

In comparison to a trekking last, our Comfort fit® last has more space at the front of the foot with a firm grip on the heel. You stand on a wider base. The more defined contour enables easier rollover when walking.

- 1 More room for toes and more capacity.
- 2 More ball width and straight adjustment of the big toe.
- 3 Wider stance due to wider sole base.
- 4 Perfect fit due to the snug-fitting heel.

### Comfort fit® cork insole

- (1) Cork insole with (2) Poron® shock absorber,
- (3) Cambrelle and fleece covering,
- (4) Plus integrated pad.
