REAL WINTERS. REAL SHOES.

When winter arrives and the landscape is covered in snow and silence, for many people the most wonderful time of the year begins. Away from the hustle and bustle of the slopes, more and more people are discovering the peace and simplicity of winter hiking – a trend that combines slowing down and connecting with nature.

For these special moments, you need boots that keep you reliably warm, provide support and offer comfort with every step, no matter what the weather is like. But it's not just for hiking – warm and sturdy winter boots with grippy soles are also essential for anyone who works outside every day.

This year, we have once again added new products and colour variations to our collection for when the winter weather is mud and rain rather than snow.

**“Live with nature –
experience it and
treat it with respect”**

– Alfons Meindl

For over 300 years, our models have combined traditional craftsmanship with modern functionality. Together with our entire team, we are passionate about developing innovative and highly functional boots and shoes for every foot, every application and every weather condition.

Meindl stands for a collection without compromise. Durable classics and new models that offer maximum comfort, perfect support and warm feet at all times.

Whether on snowy paths, during long walks or in everyday outdoor work, our winter boots and shoes ensure a secure footing, warm feet and a good feeling when you're out and about.

We wish you plenty of snow under your boots for the coming season and look forward to continuing our partnership.

MORE COMFORT – FOR EVERY SEASON

- special fit with more space at the front and a normal tight heel for optimum grip
- cosy, warm and dry thanks to GORE-TEX fleece + genuine sheepskin
- special footbed made of new wool in combination with cork
- soft EVA cushioning shock absorber

Soft upper end

Meindl Multigriff® profile

Mellau GTX

Genuine sheepskin throughout

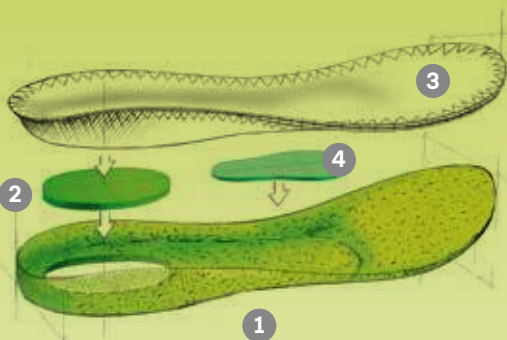

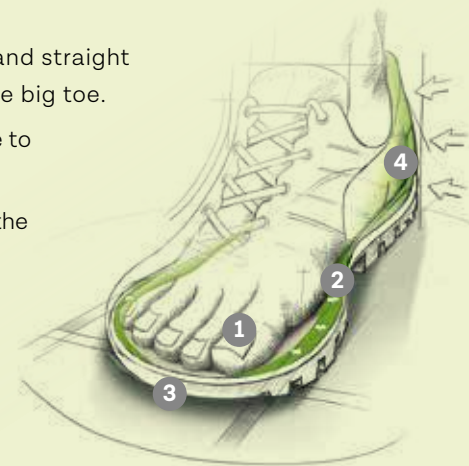

Soft nubuck leather

Comfort fit® concept

In comparison to a trekking last, our Comfort fit® last has more space at the front of the foot with a firm grip on the heel. You stand on a wider base. The more defined sole contour enables easier walking.

- 1 More room for toes and more capacity.
- 2 More ball width and straight adjustment of the big toe.
- 3 Wider stance due to wider sole base.
- 4 Perfect fit due to the snug-fitting heel.

Comfort fit® cork insole

- 1 Cork insole with 2 Poron® shock absorber
- 3 New wool cover
- 4 Plus integrated pad

WHAT MAKES "DOUBLE STITCHING" SO SPECIAL

Genuine double stitching can be recognised by the visible double seam on the edge of the boot. The first seam, also known as the inseam, connects the upper to the leather insole. The inseam frame or upper leather is then folded outwards at a right angle and also takes up the second seam. This double seam attaches the midsole. This double seam attaches the midsole to the upper. Finally, the tread sole is glued to the midsole.

Only a few craftsmen can still master this complex technique, but at Meindl, it is a skill that is passed on to the next generations.

Double stitched construction

- 1 Leather insole
- 2 Recessed stitching
- 3 Double stitching

FOR EVERY WINTER ADVENTURE

- dry and warm feet whatever the weather
- robust and durable
- lightweight, practical and functional
- special mouldings for children

Warm feet thanks to a GORE-TEX faux fur lining

Removable Best-Fit footbed

Snowstorm Junior GTX

Children's shoes, seven important factors:

- 1 Removable Best-Fit footbed for a perfect fit.
- 2 Soft padded edges for comfortable yet secure hold.
- 3 Special children's last guarantees plenty of space for toes.
- 4 Grippy sole provides stability and security.
- 5 Reflectors increase visibility.
- 6 Impact protection withstands even the highest demands.
- 7 Heal cup for good foot positioning.
